## WHAT'S IN THE HAGUE TOWER?

The Hague Tower is a building inspired by NYC Flat Iron Building. There are 42 floors, and the building stands 135m tall. Within the building you can find:

- Ground Floor: reception, call 070 - 305 1000. There is also a coffee corner.
- Ground Floor - 3rd Floor: Seats2meet.com is a meeting centre, with a laptop lounge, workzones and meeting rooms for rent. More information can be found on [www.s2mhaagsetoren.nl](http://www.s2mhaagsetoren.nl)
- 4th-28th floor: Student housing, 12 apartments per floor, access through entrance South.
- 29th-39th floor: Luxury apartments. This is where you are now. There are different sizes and shapes available. Access through entrance West.
- 40th floor: Luxury meeting rooms, our Penthouse Business Suites
- 41st floor: Smoking balcony and restrooms.
- 42st floor: Holland's highest restaurant & sky bar, The Penthouse: [www.thepenthouse.nl](http://www.thepenthouse.nl)  
A fine dining experience with a great view. Reservations can be made online or by visiting the reception on the ground floor. Some nights The Penthouse hosts parties at night and turns into a nightclub.

## WIFI

Connect to the network of your apartment (ie. *Airbnb771*), the **password is always 0987654321**. You can also connect to the apartment next door, should the signal be stronger.

## WORKSPACE & BUSINESS CENTRE

Feel free to use our free lounge on the ground floor. Contact us for meetingspaces such as our Business Suites, meeting rooms and business facilities, like copying or scanning.

SkySuites are also available for private dining and family events such as weddings. See pictures below.

## PHONE RECEPTION

Mobile phone reception can be bad, because when in the apartments you are higher than the antennas of the phone companies. You can switch off your 3G and phone through the GSM network, or use wifi/Skype.

## SMOKING

Smoking is not allowed in the apartments. All apartments are equipped with smoke alarms, which are connected to the central fire alarms of the building. The penalty for smoking is €1500, because the fire brigade will have to reset the alarms for the entire building. Please smoke outside the building, on the ground floor.

## CLEANING, WASHING, DRYING

Cleaning is included before your arrival and after your departure. Should you wish extra cleaning during your stay, just ask us and we will arrange this at €20,- per apartment. **To facilitate our low pricing, we kindly ask you to leave the apartments as clean as possible.**

All studios and apartments are fitted with a washing machine, dryer and dishwasher. Soap, softener and dishwasher tablets are not included in your rental.

## BATHROOM & KITCHEN

Bed linen and towels are included in the rental. **There is a start supply of toilet paper, shower gel and shampoo in each apartment.** All supplies can be bought easily at various supermarkets nearby.

All kitchens are fully fitted and ready for your use. There is a stove, oven and microwave. The kitchen hood has no motor: it is only connected to the central ventilation system. Press the highest number on the kitchen switch and make sure the lever is turned to 'open'.

## HEATING & AIRCONDITIONING

For cooling use the airconditioning wall remote. For heating, set the temperature on the thermostat (*f.i.* 22 c).

## RUBBISH

Rubbish bags should be left at the end of your stay in the basement. It's the door on the right when you go down the stairs. Access with your keycard. Please do not leave rubbish in the bins next to the elevators.

## BICYCLES

You can rent bicycles from HS station: [www.rijwielshop-hollands-spoor.nl/verhuur](http://www.rijwielshop-hollands-spoor.nl/verhuur) Bicycles can be stored in the basement, take the stairs down from the ground floor, it's the door on the left. Access with keycard.

## GYM

There is a simple gym on the 26th floor. Go the ground floor, exit the building and re-enter through the South entrance. Take the elevator up to the 26th floor. If you like more facilities or are staying longer, there is a paid gym with full facilities and classes across the road, in the red & white building.

## ART

Most art in the apartments is for sale! Just let us know if you are interested in buying any of the original paintings by befriended artist Bianca Tangande.

## SHOPS

The main shops are at the centre, including the Bijenkorf department store. About 10 minutes away. There is a good supermarket at the end of the Huijgenspark and several in the city centre. The nearest is Albert Heijn opposite HS trainstation. Marqt, opposite parliament, is the best place for biological foods. Cards only. Walking towards the other side, *Megastores* is close as well.

## RESTAURANTS

Of course... our restaurant The Penthouse on the top floor. Open 7 days a week, (*for lunch 12:00-15:00 and dinner 18:00-22:00hrs*). The menu is included in this welcome pack for your information.

The Hague has a large Indonesian community with some excellent restaurants. Nearby in de Wagenstraat (*China Town, about 10 minutes walk*) there is one called Istana ([www.istana.nl](http://www.istana.nl)). Informal, but with great food. A fun choice is also Bogor, located inside an old house, two living rooms joined together. Reservations are needed: 070 3461628.

**Breakfast & lunch:** at about 5 minutes walk, just in front of the building is the Huijgenspark, there is a very nice place for breakfast and lunch, called **De Overkant**: [www.naardeoverkant.nl](http://www.naardeoverkant.nl). Highly recommended! There is no roomservice in the apartments, but hey... you have a kitchen :-)

## BARS

Most bars can be found on either Grote Markt (*informal, live music scene*) or Plein (*more business people*). On some Saturday nights there is a DJ at The Penthouse from 21:30, try a cocktail at the sky bar!

## TOURIST INFORMATION

There is some information in your apartment. More can be found at reception on the ground floor. The observatory on the 42nd floor is a nice place to start - see the city, from the top. Just state you are staying at our apartments and you will have free access. Entrance at the ground floor.

The main tourist office is located in the Town Hall, on the ground floor.

## RECOMMENDED IN THE HAGUE

- Madurodam (*miniature city*)
- Panorama Mesdag (*one of the largest paintings in the world*)
- Escher Museum
- The beach at Scheveningen, visit the old Kurhaus hotel
- In the city centre: Lange Voorhout, visit the old Hotel des Indes
- Town Hall, right in the city Centre. Take the elevator up to the top floor. View The Hague Impressions on the ground floor.
- De Ooievaart, boattrip, leaves close to the tower. Tickets at City Mondial, Wagenstraat.
- Parliament buildings (*Binnenhof*)

## EMERGENCIES
