

the journey

*"Invent yourself and then reinvent yourself,
don't swim in the same slough.
invent yourself and then reinvent yourself and
stay out of the clutches of mediocrity.*

*invent yourself and then reinvent yourself,
change your tone and shape so often that they can
never categorize you.*

*reinvigorate yourself and
accept what is
but only on the terms that you have invented
and reinvented.*

be self-taught.

*and reinvent your life because you must;
it is your life and
its history
and the present
belong only to
you."*
